The Company caters to a wide spectrum of business sectors that mainly includes Oil & Gas, Petrochemicals and Fertilizers and competences in Power Generation and Infrastructure, from concept to commissioning with over 5 decades of experience in multi discipline engineering services.

SECTION 1

TECNIMONT ICB CSR POLICY

Introduction

Corporate Social Responsibility (CSR) is a company's commitment to its stakeholders to conduct business in an economically, socially and environmentally sustainable manner that is transparent and ethical. The Company recognizes the greater role industry plays in the development of a country like India where large sections of society suffer from severe economic and social disadvantages.

By virtue of its nature of business, the Company operates at areas where the communities are disadvantaged and distinct from mainstream development process. These areas often stand out low on development indicators and lack basic infrastructure for essentials like healthcare, education or livelihood. The Company aims to contribute to the improvement of socio-economic development indicators in such areas with initiatives in health, education, livelihood and women empowerment. Moreover the policy here below defined will be in line with the Maire Tecnimont Group strategy on sustainability and CSR and it will be developed as an integral part of Corporate Sustainability approaches.

Aims and objectives

This Policy shall be read in line with Section 135 of the Companies Act 2013, Companies (Corporate Social Responsibility Policy) Rules, 2014 and other rules, regulations, circulars, and notifications as may be applicable. It aims specifically at:

- Establishing a guideline for compliance with the provisions of the regulations to dedicate a percentage of Company's profits for CSR activities.
- Ensuring the implementation of CSR initiatives in letter and spirit through appropriate procedures and reporting.

So that the object of this Policy is to lay down a comprehensive framework in which the Company proposes to carry out its CSR activities with an objective to achieve, consolidate and strengthen Good Corporate Governance including socially and environmentally responsible business practices that balance financial profit with social wellbeing.

This CSR Policy shall be operated and administered by the CSR Committee in line with the framework laid down by the Board of Directors and the applicable guidelines prescribed under the Act and the Rules.

The Board of Directors of the Company is authorized to interpret this Policy, to establish, amend and rescind any clauses relating to this Policy, and to make any other determinations that it deems necessary or desirable for the administration and implementation of this Policy. The Board of Directors may correct any defect, omission or reconcile any inconsistency in this Policy in the manner and to the extent it deems necessary or desirable. The decision of the Board of Directors in the interpretation and administration of this Policy, as described herein, shall be final and conclusive.

SECTION 2
