- **First important International project for the Infrastructure & Civil Engineering Business Unit**

Rome, 24 November 2010 – **Maire Tecnimont S.p.A.** announces that its main operating company **Tecnimont S.p.A.**, in consortium with SALINI Costruttori S.p.A., has been awarded as preferred bidder by **Metroselskabet I/S**, the Company who manages the City of Copenhagen's Underground Network, the north bound and south bound rings of Copenhagen and Frederiksberg's underground "CITYRINGEN".

The consortia, that will operate as General Contractor, is composed of SALINI Costruttori S.p.A., as mandant, Tecnimont S.p.A., as mandatary.

The civil works refer to the design and construction of two "single track tunnel tubes" of approximately 16.2 Km, 17 stations and 4 wells for the construction of the two sections.

More precisely, the project envisages the executive design, the management and execution of the works, as well as the environmental monitoring along the entire life and safety coordination of the project, during both the design and the construction phases.

The overall value of the works amounts to circa €1.7 billion, of which circa €700 million pertaining to Maire Tecnimont Group.

This project represents an important achievement for Maire Tecnimont Group within the framework of the internationalisation process of the Infrastructure & Civil Engineering Business Unit.

The project's completion is expected by the end of 2018.
