

MAIRE TECNIMONT STRENGTHENS ITS OIL & GAS SERVICES AND TECHNOLOGY BUSINESS

- Approximately **€110 MN** awarded in contracts for Licensing, Technology Packages and Engineering Services

Milan, 29 November 2012 – **Maire Tecnimont S.p.A.** announces that several contracts have been awarded to its subsidiaries Tecnimont S.p.A., Stamicarbon B.V. and Tecnimont KT S.p.A. for a total amount of approximately **€110 million** for Licensing, Technology Packages and Engineering Services in Central- Eastern Asia and North America.

With these contracts for services in the polyolefin segment as well as for the provision of sulphur and hydrogen units and for licensing services in fertilizers, the Group confirms the focus on its core business, in line with the growth strategy in the high-end/high value added services sector.

In particular, the Group strengthens its presence in Russia in the hydrogen processing business, a key sector currently under strong expansion in that country.
